M.S.D.S. and safe chemical handle procedures. Cell phone, radio, telephone, personal protective equipment and SCADA system.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to stand, walk, use hands to handle, feel, or operate objects, tools, or controls, and reach with hands and arms. The employee is frequently required to sit, climb or balance, stoop,

kneel, crouch or crawl, talk or hear. Employee is regularly required to assess odors.

The employee must occasionally lift and/ or move up to 100 pounds.

Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee regularly works in outside weather conditions. The employee frequently works near moving mechanical parts and in high precarious places and is occasionally exposed to wet and/ or humid conditions, fumes, or airborne particles, traffic, toxic, or caustic chemicals.

The noise level in the work environment is usually moderate; hearing protection is required within various buildings.

Work is performed in potentially hazardous environments (i.e., confined spaces, electrical, and mechanical hazards).

Work schedule will consist of 8 hour shifts including weekends and holidays. During emergency events, an operator may be required to assist outside of their normal schedule.

SELECTION GUIDELINES:

Formal application or resume, rating of education and experience, oral interview, reference check, background check and job related tests will be required.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.

The job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the District's and requirements of the job change.
