Re: Letter of Reference for Luke Matzke

To Whom It May Concern:

The purpose of this letter is to provide a professional reference for Mr. Luke Matzke of Anders Environmental. I have worked with Luke since shortly after the 2010 Fourmile Canyon Fire.

Luke demonstrated excellent project management skills as well as the ability to build effective working relationships with county staff from multiple departments. One of Luke's strengths is his capacity for earning the trust of residents. He has excellent communication skills, returns emails and phone calls promptly and follows up on what he commits to do. He is someone you can truly count on.
